A colouring book is a collection of line art images designed for users to fill in with their preferred

colours. Traditionally aimed at children, colouring books have transcended age boundaries, becoming tools for relaxation, mindfulness, and artistic expression among adults. The popularity of colouring books lies in their simplicity and accessibility?they offer a creative outlet without the need for advanced skills, making them appealing to a broad demographic.

In the context of Doctor Who, the colouring book serves a dual purpose: it allows fans to engage interactively with their favourite characters, ships, and scenes, and it encourages personal interpretation of the show's rich visual universe. The designs are typically rendered in clean, bold lines to facilitate colouring, but some pages incorporate intricate details that invite more advanced techniques.

The artistic style ranges from comic-book-inspired depictions to more realistic renderings, capturing the essence of characters, vehicles, and settings. For example, the TARDIS is often portrayed with meticulous detail, emphasizing its familiar blue exterior and complex interior.
